CAUTION

Bruce Sholtz Macedo is wanted for his alleged involvement in vehicular deaths and injury of his friends in Boca Raton, Florida. It is alleged that on September 14, 2008, Macedo was driving a vehicle with three passengers when he lost control of the vehicle and struck a tree. Two passengers died as a result of the crash and another was seriously injured. Macedo was taken to a hospital where it is alleged that his blood alcohol level was over the legal limit for driving in Florida.

On November 20, 2008, Macedo was arrested for driving under the influence-manslaughter and driving under the influence causing or contributing to serious bodily injury, and soon was released on bond. Macedo violated the terms of his supervised release between May and June 2009, by failing to contact pre-trial services. Consequently, an arrest warrant was issued on June 9, 2009, revoking Macedo's supervised release. Then, Macedo failed to appear in court in Palm Beach County for a status check on July 14, 2009, and the next day a bench warrant was issued for his arrest by the 15th Judicial Circuit Court, Palm Beach County, Florida.

In addition, a federal arrest warrant was issued by the United States District Court, Southern District of Florida on April 21, 2010, after Macedo was charged federally with unlawful flight to avoid prosecution.
